Sir,

Through
The District Medical Officer, S.Kanara,
and
The Surgeon General with the Government of Madras, Madras.

OFFICE OF THE DISTRICT MEDICAL OFFICER
20 SEP 1937
SOUTH KANARA

Sir,

I have to bring to the kind notice of Government that one compounder sanctioned in G.O.

P.T.O.

No. 103 P.H., dated 16-1-35 for the Hospital at Buntwal is inadequate to cope with the ever increasing work -- there.

2. The District Medical officer, in his inspection report in 1935 recommended the entertainment of an additional hand realising the necessity of one, for the convenience of the public. The attendance has been increasing since then and a reserve compounder was posted from time to time in 1935- and 1936.

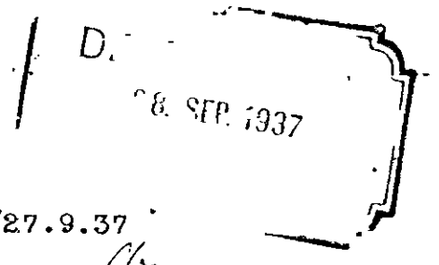
3. The services of the reserve compounder stationed at the head quarters Government Hospital are required in leave vacancies and as such they cannot possibly be made available to the Hospital at Buntwal.

4. A comparative statement showing the attendance of the hospital for each of the months of 1935 and 1936 and up to ~~July~~ June of the current year is enclosed. It is seen from the statement that the daily average attendance for 1935 and 1936 and of the current year justifies the appointment of an additional compounder for the hospital.

5. The District Board in its resolution No. 26 dated 11-9-1937 (copy enclosed) has resolved to address Government on the necessity for an additional hand.

In the circumstances explained above, I request that the Government may be pleased to sanction the post of a second compounder for the L.F.Hospital, Buntwal.

Your obedient servant,



PRESIDENT,
Dt.Board, S.Kanara.
